MEMBER'S CODE OF ETHICS

A Member's Code of Ethics has been established with the aim of providing a unified vision throughout our Membership.

[Click here](#)

Compliments to all of you maintaining your **handicap** at 90% and above. In **2022**, we ask you to always maintain it at **100%**.

WE ARE ALMOST THERE !

Hello to all,

We can see our Season Opening on the horizon, but we need a little more patience before it arrives !

Since February 2nd, your Member's Committee has been working on creating activities that offer more originality and quality so that we may enjoy maximum participation.

See you soon!

TAKE CARE OF OUR GOLF COURSE!

Let's work together to keep our golf course in good condition. In the Spring the ground is soft. It is important to be vigilant.

- On the greens, fix visible ball marks and remind those who forget.
- If you do not know how to repair correctly, seek advice.
- If you make a divot, put it back in the right direction and press it down with your foot. This way the grass will re-root quickly.

ASSISTANTS JOINING YOUR COMMITTEE

This year, the Social Activities Calendar has undergone some changes. In addition to the competitions, three non-competitive activities will be offered in order to promote camaraderie and the pleasure of socializing with each other.

A sub-committee has been created to help with the organization of the three new non-competitive activities and to also lend a hand with the regular activities. It is a pleasure to introduce the three members: **Gilbert Dugal, Maurice Ste-Marie** and **Denis Bourret**.

In addition, **Claudette Lelièvre** will manage our Facebook page **Les Atlantes**. **Michel St-Pierre** and **Lise Blanchet** will be our photographers during events. **Ben DiBiasio** will take care of the website. **Lynn Brown Poole** will prepare the English translations.

Thank you all for your involvement!
