

YOU SHOULD KNOW THAT...

The goal of the Committee is to ensure that at each organized activity, the funds raised are given back to the participants. In 2021, the Committee was able to give you:

- St. Jean Baptiste Spectacle.
- A show featuring Guillaume Lafond for the Ryder Cup.
- The Masi Caravan offering the aperitif for the Ryder Cup.
- The winning couple of the Bacchus Cup sent to the mixed Provincial Championship.
- A bagpiper for the Ryder Cup Awards.
- A recognition meal for the 50 members participating in the Player's Cup.
- A Dinner-Dance party for the closing tournament.
- In the end there was a surplus of \$1,500 which was drawn among the members present at the closing tournament. (30 x \$50)

LET'S GET INVOLVED

Don't fix the ball mark on the green and we'll see it for at least two to three weeks. Fix it, and it will disappear within 24-48 hours. So here is a challenge, once on the green, repair your ball mark and find two more to repair. Enjoy golf on beautiful greens. Thank you.
